BEEF “ON” FORAGE

Welcome to the **Nineteenth Annual Beef “ON” Forage Bull Sale**. The sale will feature 100 performance tested, forage developed Beefmaster bulls averaging 22 months of age. These bulls have been tested and developed as a peer group for 300 days.

The purpose of the test is to identify those bulls having a superior genetic ability to convert forages to beef by comparing contemporaries within an age and breed group in a uniform grazing environment. A bull developed under these conditions will know how to “rough it”. They will not be pampered, overfat, and will know how to make it on forages as they do their work. Cattlemen will benefit by being able to purchase bulls that have been developed under range conditions similar to their farm or ranch. The results – a more useful bull that will hold his condition resulting in a more acceptable product to offer the commercial cattleman. Much effort has been devoted to providing thorough and accurate performance data on the entire sale offering. Dr. Lorna Pelton of Pride Livestock, College Station, Texas, has sonogrammed over 2200 bulls in the past 18 years for the Central Texas Beefmaster Breeders. We believe in the importance of sonogram information as a useful selection tool.

Complete performance evaluation is available, to include: weaning weight, gain weights, weight per day of age, ratios, rib-eye measurements, and scrotal circumference. All bulls are fertility, TB and Bangs tested and fully guaranteed (180 days).

Several representatives of licensed feed yards will be available sale day to discuss your feeding options. These include Graham Land and Cattle Co., Gonzales, TX - Jay Gray, 830-672-6504; Hondo Creek Cattle Co., Edroy, TX - Doug Husfeld, 361-368-4171; Howell Cattle Co., Premont, TX - Jesse Howell, 361-348-3845; King Ranch, Kingsville, TX, 361-221-0380; Santa Fe Feeders, Linn, TX - Alejandro Urias, 361-568-3244; XIT Feeders, Dalhart, TX - 806-384-2301. These feedlots want to feed Beefmaster sired cattle, either through retained ownership or by purchasing your calves.

Nolan Ryan’s All Natural Tender Aged Beef is now available in over 325 Kroger and Fry’s stores in Texas, Louisiana, and Arizona. Plans are currently underway to introduce the product to Smith’s Food and Drug, a Kroger owned retailer with stores in New Mexico, Utah, Nevada, Wyoming, Idaho and Montana. Rollout is scheduled for this fall. Nolan Ryan Beef was the fastest growing product in the fresh meat case for Kroger this year. Total sales for the company have continued to expand at a rapid rate. An average of 3,000 head per week are harvested for the program at Sam Kane Beef Processors in Corpus Christi, Texas and Swift at Cactus, Texas.

TERMS AND CONDITIONS OF SALE

Terms: Terms of the sale are cash or check. Settlement must be made with the cashiers immediately after the completion of the sale.

Bidding: Each animal will be sold to the highest bidder. The auctioneer will settle any dispute as to the bid.

Purchaser’s Risk: Each animal become the risk of the purchaser as soon as sold. If buyer is unable to transport purchased animal from facility following sale, arrangements should be made with sale committee, with the purchaser required to pay any and all expenses attributable to the boarding and health of said animals until delivery.

Health: Each animal will be tested for brucellosis within 30 days of sale date by a licensed veterinarian and purchaser will be furnished a certificate.

Certificate of Breeding: A Certificate of Breeding and transfer will be furnished for each animal sold.

Breeding Guarantee: Bulls 18 months and older are guaranteed to have passed a semen test and to have been confirmed satisfactory potential breeders by a licensed veterinarian within 30 days prior to sale date and to be free from any visible defects. If within 180 days from date of sale the bull has failed to pass a semen test performed by a licensed veterinarian, another semen test shall be performed by a licensed veterinarian mutually agreeable to the buyer and seller at the buyer’s expense. The results of the test performed by said veterinarian shall be deemed final and conclusive of this matter and binding on both parties. If, in the opinion of the said veterinarian, the bull is unable to pass a semen test, he shall so certify in writing to the seller and the buyer. In such event, the buyer may return the bull to the farm of the seller, provided the bull is in good health and condition as agreed by veterinarian in compliance with the health requirements of the seller’s state, and receive another bull of equal value that has been currently certified by a licensed veterinarian to have passed a semen test or receive a refund of the full purchase price. The acceptance of a replacement bull or the refund of the full purchase price shall in any case be deemed full satisfaction and settlement of the matter. It shall be the obligation of the buyer to bear any expense incurred for transportation in this regard. All other guarantees, if any, shall be such as agreed upon between the seller and the buyer.

Safe in Calf Females: Females have been examined by a competent veterinarian and are so guaranteed. If within 30 days after the sale date, a female sold as “safe in calf” proves not to be in calf, the buyer may immediately request a refund of the full purchase price. Health and condition requirements outlined above.

Announcements: Announcements from the sale committee will take precedence over the printed matter in this catalog. All cattle will be sold by lot numbers.

Liability: All persons who attend the sale do so at their own risk and the owners nor any person connected with the management of the sale assume any liability, legal or otherwise, for any accidents which may occur.

Rights and Obligations: The above terms and conditions of sale shall constitute a contract between the buyers and sellers of each animal and shall be equally binding upon both. Animals resold following purchase in this sale shall constitute a separate transaction and the rights and obligations of the two parties connected thereto are not covered by the terms and conditions of this sale.
